NOMINATING NIGHT MEETING

Introducing Michael Lembo New CPYC Manager

We welcome our new manager **Michael Lembo**. **Michael** comes to us with a background in country club management, having worked at Pinehurst Resort and CC, Salem CC and most recently Walpole CC. A graduate of Methodist University in Fayetteville, North Carolina, **Michael** had originally planned on a career as a club golf pro since golf was his love. He played winning golf throughout high school. However a chance meeting with a professor in the university hospitality management department, changed the course of his career into hospitality management. Originally from Lynn, he currently lives there now with his wife, **Jennifer** and two daughters, **Shea** (3 years old) and **Julie** (10 mos. old).

Michael and his wife Julie at the meet the new manager reception.

Michael is in the process of getting oriented to CPYC and meeting the members. He is looking to progressively expand the Pilot House menu and operations, and realize the potential of our ballroom. He welcomes suggestions from members and looks forward to meeting everyone.

Commodore **Larry Floyd** called the Nominating Night meeting to order at 7:10 PM, November 16, 2011.

The first item on the agenda was the election of a five member Nominating Committee. Elected (pictured left) were (L to R) **Rich McKinnon, Brian Murphy, Denise Economides, John Meskell,** and **Mike Gahan**. They elected their own Chairperson., **Rich McKinnon**. Anyone interested in running for an office, the BOD, or Audit Committee should contact any nominating committee member as soon as possible to facilitate their task ahead.

Next **David A. Aloise** was elected a life member unanimously. See article below.

Treasurer **Don Kearney** gave a brief report stating that the 5k dinner and auctioning the managers parking space has helped the cash flow.

Marina expansion committee member **Paul Clauss** presented an update on their progress. They distributed a proposed configuration which elicited considerable discussion. The committee was to take the first step in a lengthy approval process by presenting the preliminary plan to the Winthrop Board of Appeals in early December. Of note, any expansion will be done by pre-selling slips so there will be no expense to the club itself.

A motion was made, seconded, and approved to authorize the BOD to refinance the Woodside property at present debt levels and under more favorable terms.

The By-Law to increase the annual purchase of "chits" from \$100 to \$125 was passed by greater than a 2/3rds vote.

David A. Aloise Elected Life Member

Congratulations to **Dave Aloise** who was elected Life Member at the Nominating Night Meeting. **Dave** has been a member of CPYC for 32 years and is currently member #67. **Dave** has been an active member of the Marina Committee since 1983, on the audit committee for 9 years, finance committee 5 years and is currently working on Marina expansion. He has also shared his culinary talents for numerous event dinners and Friday Night Dinners. **Dave** is always willing to lend a helping hand to any member.

Upon being elected to life membership, **Dave** thanked the membership for the honor and spoke of how much CPYC has meant to him over the years.

Commodore Floyd and Dave Aloise

OBSERVATIONS FROM THE MIDDLE EAST: A PERSONAL ACCOUNT

Former local resident and current CPYC member **Matt Twomey** departed this area 5 years ago to build a career working for the US Navy's Military Sealift Command. He has had a great ride working almost continuously in the Middle East where he has served on 6 different government vessels as a civilian mariner. He delivers fuel and provisions, cargo and spare parts to many coalition ships from various nations who were engaged in anti-piracy operations, and who support the global war on terror.

On Monday Evening Jan. 23rd 2012 at 7PM he returns to Cottage Park to share his perspectives on the Boom towns of the Middle East, where colossal construction projects bring together the worlds best talent to build gleaming cities in the desert. First world technologies mix with beautiful Middle Eastern traditions and hundreds of thousands of day laborers to build cities that are filled with optimism and hope for the future, especially with regard to benefits that can be derived from global free trade. First World, 2nd World, and 3rd World workers come together in an eclectic mix in some of these areas, often with delightful inspiring results. Price shocks may lead to an Arab Spring in some places, but there is much to be marveled at where great dreams come in contact with petro-dollars. Please join us at CPYC for a pasta buffet in the Pilot House before **Matt's** talk.

Book Club Announces Spring Selections

Book Club meetings will be held the 4th Thursday in each month. **All are welcome. For further information contact Pamela Aranov at aranov@rcn.com**

The selection for Tuesday January 24th is "Caleb's Crossing" by Geraldine Brooks. An historical novel, this book is written in period language and transcends the early beauty of Martha's Vineyard into the dorms of Harvard, as a native American becomes a Harvard student.

On February 28 John Grisham's "The Confession" will be discussed. In this fast paced story an innocent man is about to be executed and only a guilty man can save him.

March 26th, the selection is Ken Follett's "Fall of Giants", book one of the Century

Trilogy. It looks at five intertwined families and "into a century we thought we knew but will never seem the same again..." (From the book cover)

April 24th "Then Again" by Diane Keaton will be discussed. This is a warm, funny and insightful memoir about Diane and her mother.

"Unbroken" by Laura Hillenbrand is the selection for May 22nd. A non-fiction book, it is the compelling story of a US aviator shot down in WWII and his time as a POW in a Japanese prison camp.

Frostbite Sailing Update

The Winthrop Frostbite Sailing Club has been favored with favorable weather throughout the early season. Up to 44 different boats have raced thus far making for good racing and crowded starting lines in the Rhodes 19, Interclub and Laser Classes.

Rhodes 19 Mark downwind

The Rhodes 19 class completed their Fall series on Sunday December 18th. Putting up to seven Rhodes 19 on the starting line each week, **Jerry Blouin** dominated the season. Star sailors **Peter Costa** and **Joe Zambella** jumped in to try their hand on a few races. (Right)

The IC's have been averaging 10-14 boats per weekend and at this point, the leaders include **Bill Rothwell/Ginny Fuller**; **Dave Nelson/Julia Marsh** and **Steve Braverman/Cindy Olsen**. Multiple IC National Champion **Jim Bowers** has also sailed several weeks and has been dominant winning all 3 weekends he has sailed. For the individual regattas, the results are as follows:

Erik Goethert demonstrates his technique

- Christian Becker Trophy** – Erik Goethert, Erin Riley – 1st
- Turkey Bowl** – Bill Rothwell, Zach Rothwell/Keira Rothwell/ Isabelle Palumbo – 1st
- Mass Bay Championship** – Dave Nelson/Julia Marsh – 1st

IC's down wind approaching the mark

Generally there has been a good Laser turnout. On Thanksgiving weekend 17 Lasers participated making for a crowded starting line. Numerous sailors have had outstanding days making for close competition with no individual sailor standing out. It will be interesting to see how this resolves throughout the winter.

Frostbiting continues throughout the winter. Anyone interested see the Winthrop Frostbite Sailing Club website www.mass-frostbite.org

Editors note:

It seems impossible to believe that January 2012 is already upon us. That means that the time has come to think about advertisers for the next year of the Windjammer. In late January I will be sending out renewals to the current advertisers. I welcome new ads for next year. The ads truly help to defray the expense of publishing the Windjammer.

There are six WJ issues yearly, every other month. Advertising is \$20 for a single space ad per issue, or \$120 for the year.

We encourage the members to support our advertisers , as they support us.

Thank you for continuing to or considering advertizing in the Windjammer. For information please contact me at windjammer@cpyc.org.
