Pilot House Kitchen Opens For your Culinary Pleasure

After months of changes, glitches and delays, the Pilot House kitchen (See below left) has finally opened for lunches, snacks and dinner. The membership owes a debt of gratitude to the efforts of the Capital Improvements Committee and all of the volunteers who gave their time to put together a first class kitchen. Manager Ann-Marie Garzone has worked tirelessly outfitting, stocking the kitchen, and preparing the menu. After a soft open to test the menu and work out details, the kitchen opened on June 30th. Now it is up to the membership to use our new dining option, and make this endeavor a success.

The Menu

The menu includes multiple appetizers, a changing selection of delicious hearty soups of the day, salads, a variety of sandwiches, and entrees of barbecued chicken, grilled turkey tips, or marinated steak tips. The prices can not be beaten for the serving size. (Ed Note: I got to sample the humus plate, the butterfly shrimp, the onion petals, the chicken Caesar pita pocket, French fries and a cheeseburger. All were delicious. I will be back. SSH)

A cheeseburger you can hardly get your mouth around!

CPYC Marches in Memorial Day Parade

Youth Sailing Program First Day BBQ

The head pier was jammed packed with youth sailors, parents, and friends for the programs first day BBQ.

43 Races in a Day... Not a Problem

For the first time in our 106 year history, CPYC, in conjunction with US Sailing, hosted a match race qualifier sailed in quest of the Prince of Wales Cup. Always sailed in 3 person keel boats, visiting competitors sailed in our club member's Rhodes 19's. The short windward/leeward courses with spin-nakers made for a grueling day on the water. Due to forecasted nasty weather, principle race officer, **Peter Johns**, decided to complete the entire regatta on Saturday, June 21st. The three top finishers moved up to the semi-finals next month in Annapolis. Kudos to **John Tagliamonte** and **John Pratt**, umpires; **Dan Mullane**, **Gary MacDonald**, **Denise** and **John Economides**, **Peter Costa**, **Betsy Gahan**, **Rick Bishop**, and **Hatch Brown**,

race committee; **Dave Delorenzo**, Courageous Sailing, and boat owners **John Siljander**, **Angela Hickey**, **Shan Mc Adoo**, **Donna Hanson**, **John Economides**, **Joe Aiello**, and **Mike Gahan**. Finishing results: (skippers) 1. **F. Christopher**, Annapolis 2. **S. Hayes**, Newport, 3. **N. Williamson**, Marblehead.

Please see the club manager for details on authorized parking.

Youth Sailing News

A huge "Thank You from CPYC" goes out to **Joe Ford** of Ford Painting and Wallpapering who generously donated all the raw materials necessary to paint the inside of the club Snack Bar. **Joe** is the son-in-law of members **Dave and Claire Hubbard** and brother-in-law to **Larry and Sandy Bradley**. Youth Sailing provided the sweat labor! The weekend long painting crew included **Sandy Bradley, Merrill Frank, Mary Rudser, and Fred Silck**. Just like a home improvement project, it soon took on a life of its own. With measuring tape in hand, **Fred** continued forward and completed carpentry details including finishing the trim around the windows. Youth Sailing donated the new floor materials which was installed by **Mary and Jim Rudser**. **Jim** has vowed to stick to his day job. The new "Day Storage Lockers" were delivered and donated by **Rich Petrillo** of Petrillo Property Maintenance. **Al Hoey, Jim, and Fred** secured the lockers to the wall and fixed the finicky front door. **Al and Ernie Hardy** were on hand to deliver the new soda fridge. We'll save you guys a cold one!

The face lift is complete and the snack bar will be open for business on June 30th. Youth Sailing parent volunteers will operate the snack bar from 8am-

12:30pm Monday through Friday. A volunteer sign up calendar is posted at the snack bar. Any adult member is welcome to volunteer for afternoons, evenings and/or weekends. Please contact **Mary Rudser** for additional information. Saturday June 14th was launch day for the YS fleet of boats. **Fred Silck, Jim and Matt Rudser, Ernie Hardy, Marie Biggio-Randolph, Tuttie Evans, Al Hoey, Joe Griffiths** and our instructors worked like dogs to get the boats out of storage, cleaned, waxed, and in the water for the season. Work pictures to left. Thank you for the extra effort!

Thank you once again to **Joe Houghton** of Houghton Marine for placing the moorings for the YS boats. The donation is greatly appreciated by all our YS families!

Thank you for the new, old Opti that was donated to the program by **Kim and Paul Clauss**. **Paul** is the Commodore of the in NJ as well as CPYC member. Anxious to get the summer sailing program started several of

our youth got their boats in the water early and started practicing. To the left, **Jordan Corbett-Frank** get sailing time in after school. Look for the "Gave Wind 2008" T-shirts on our Youth Sailors. Thank you to all our generous supporting advertisers!

Smooth sailing ahead! See you on the water!

Inter Collegiate Sailing Association Hall of Fame Induction

In early June, **Gary MacDonald, Peter Costa, Joe Zambella, and Mike Gahan** attended the induction of **Fran Charles and Joe Duplin** into the Inter Collegiate Sailing Association Hall of Fame at the New York Yacht Club in Newport. (Picture to right) Both **Joe and Fran** are past members and familiar faces at CPYC. They join **Hatch Brown** in the Hall of Fame.

Fran received the Graham Hall Award for outstanding Service by a college sailing professional. He is sailing master at MIT.

Joe was awarded the Lifetime Service Award for a career of extraordinary service to college sailing. Congratulation to you both.

Storms, Storms, Storms

This seems to be shaping up to be the summer of storms. The picture of the head pier and marina, to the left, was captured during the late afternoon of June 24th, one of the many recent storms that have rolled over CPYC. The tent looked as if it would blow away. The flag pole listed. It was almost impossible to see the boats in the marina because of the driving horizontal rain.

THE EAR HEARS

We are saddened to report the passing of former CPYC member, **Mary C. Sullivan**.

Our sympathies to **Alice and Frank Curran** on the passing of **Alice's** sister **Ruth Nichols**.

Condolences to **Teresa and Kay Herbert** on the passing of **Teresa's** brother **Daniel Wright**.

Our condolences to bartender **Tim Donovan** on the recent passing of his father.
