Introducing New Club Manager Megan Noonan

Please welcome new Club Manager, **Megan Noonan**. **Megan** is a lifelong resident of Winthrop where she resides with her husband **Robert** and three young boys; **Robert Jr.** (age 8), **Matthew** (age 6) and **Michael** (age 2). **Megan** is a graduate of UMass Amherst where she majored in Communications and Education. **Megan** comes to the Cottage Park Yacht Club after working over 10 years for the Massachusetts Port Authority's Business Office. Most recently, she managed the Events at the Winthrop Yacht Club where over a three year period, **Megan** hosted several successful town wide fundraisers and club events. **Megan's** will add experience and energy to the Cottage Park Yacht Club. Please introduce yourselves to her. She can be reached at 617-548-1387 or by emailing her at cpycmanager@cpyc.org

A True Fish Story

John Nalen, Jr. caught this 39lb 47" striper somewhere in the Winthrop waters near Deer Island Light. He is keeping the exact location a secret understandably. He had the catch certified.

Welcome to Our New Members.....

Welcome to **Kathleen** and **Rob McCarey**. They live in Winthrop and have three daughters, **Ella**, **Nora** and **Lyla**. **Ella** and **Nora** are in the Youth Sailing Program. **Kathleen** is a nurse practitioner and sister of member, **David Kennedy**.

Denise and **Christopher Beshere** live in Winthrop with their children **Ava** and **Christopher**. **Denise** is a massage therapist in Winthrop and has volunteered to help with Youth Sailing as **Ava** will be in the program.

From East Boston, **Koren** and **Derek Brudin** have a son, **Jack** who tried out the Youth Sailing Program last year. **Koren** is associated with a local bread company.

John Bower and his wife **Lisa** live in Winthrop with their three children, **Zane**, **Mathew**, and **Christian**. Two of the children are in the Youth Sailing Program. **Jack** is with law enforcement. **Christopher** and **Jennifer Reavey**, their two children **Thomas** and **Vivien** live in Winthrop. **Chris** is a construction project manager, and is willing to help on various committees at the Club. They have a 30 foot Pearson sailboat named "Aquarius", which they have spent two years doing extensive rehab.

Brian and **Catherine Drohan**, recently married, live in Boston. **Brian** is a software engineer. His father, **William**, is also a member of the club, and **Brian** has sailed with him for years. They have a 32 foot sailboat named "Gladys Elizabeth".

Gerard Welch who lives in Brookline and shares a boat with **Matthew Boyle**. **Gerard** works at the MIT boathouse maintaining a fleet of 90 boats. **Matthew** and his wife **Courtney** live in Boston, and is a systems engineer. They have 34 foot Bristol sailboat. **Matt** is an avid sailor.

Justin McGrath and his wife **Catherine** live in Shirley with their two children **Johnny** and **Molly**, both 4. **Justin** used to race and play rugby in Ireland. He has volunteered to be on every committee. They have the 39 foot sailboat "Cold Shot."

Heather and **Chuck Person** live in Melrose and have two children, one of whom signed up for Youth Sailing. They have bought a boat and are learning to sail. They are excited to get involved with everything.

CPYC Hosts Operation Paddle Smart

U.S. Coast Guard Auxiliary Winthrop Flotilla 5-1 held their Operation Paddle Smart Program, a part of the 2013 National Safe Boating Week at CPYC on May 19th.

Right to left, CG Aux Flotilla Commander **Norm Hyett**, District Staff Officer **Raymond Julian**, and photographer **Robert Deschene**. CPYC member, **Ray Julian** organized this event.

There were displays and information on multiple areas of safe boating including life jackets, safe boating resources, scouting, flares and distress signals, instruction and inspections.

CPYC Membership Committee promoted the club, manned here by **Janine Stanton** and **Bob Douglas**.

CPYC Youth get a lesson on kayaking safety.

The remote controlled tugboat "Coastie" attended. She toots, blinks, moves, talks and interacts with people. She is a lot of fun for children.

The **Kennedy and Lawton's** "Beetle" get a complimentary safety inspection. They passed.

Winthrop High School Sailing Team

Congratulations to the Winthrop High School Sailing Team and their coach **Joe Zambella**, on their 7-4 record, against area schools. The team practiced and held several regattas at CPYC this spring.

A number of CPYC members assisted running the races held at CPYC.

Several of the team members are children of CPYC members and have participated in our Youth Sailing Program. Graduating senior **Nichole O'Brien**, captain, was named MVP. Other children of CPYC members include **Lucy Floyd**, **Becky Evans**, **chael St. Jean**, and **Jordan Corbett-Frank**, who has been elected team captain for next year.

From the Officers and Board of Directors.....

6/26/2013

To All Members,

The start of the 2013 boating season is finally upon us! Boats are beginning to fill both our marina and mooring field; Wednesday Night PHRF racing has begun; Youth Sailing and Adult Sailing programs are in their final preparations for another successful season; and the Blessing Of The Fleet is this upcoming weekend.

With another busy season of club sponsored programs and regattas, the CPYC Officers and Board of Directors would like to remind everyone of a few safety issues that should be considered when using the marina facilities.

Thank you in advance for your cooperation and have a fun and safe boating season.

CPYC Officers
CPYC BOD

Head Pier/Docks

All children ages 12 and under must wear life jackets when on the head pier or docks.

Children and adults should not be barefoot on the head pier or docks.

No jumping or diving from head pier or docks.

No running on the head pier or docks.

No climbing on the dinghy/kayak/laser racks.

Hoists

Please remain well clear of the hoist areas when boats are being hauled and launched.

Be mindful of swinging boats, dangling lines, moving trailers and lowered security fencing.

There is to be **NO** hoist use without supervision by an adult or other responsible person.

Please remove/replace the hoist railings using two people at either end and safely store without creating a tripping hazard during the use of the hoist.

No hanging/swinging or sitting on the safety chains securing the ladder or gangway openings.

No hanging, swinging or playing with the hoist chain and hook assemblies.

General

With the dry sailing and various small boats (dinghies/lasers/kayaks) primarily being launched from the Easterly side of the marina, please be considerate of vessels entering into and out of their slips. With the close confines of the "corral", the low profile of the dinghies and kayaks, and the need for the larger boats to maintain headway speed, ALL operators must remain vigilant when operating in this area.

There are various swim ladders located throughout the marina facility. While swimming is not prohibited within the confines of the marina, SWIMMERS must be aware of vessel activity around them.

Please visit the CPYC website for more information on all the rules and regulations pertaining to the club use.

Informal Friday Night Bowling Continues in the Summer

When the bowling season ended in May, a number of Friday Night Bowlers continued to meet in the Pilot House at 6:00PM on Friday evenings to enjoy a delicious dinner followed by some informal bowling.

While the group is only a representation of our total membership, we have a great time together. In the picture to the right are (left to right) Sandy Bradley, Teresa Herbert, Claire and Dave Hubbard, and Steve and Helen Honan. Others who periodically joined the group are Larry Bradley, and Linda and Frank Costantino.

We look forward to a new season in the fall and invite any couples or single CPYC members who would enjoy joining the Friday Night Bowlers to contact Chairman Dave Hubbard at 617-846-2901, or just come down and join us. Have a great summer and we look forward to seeing you now and or in the fall.

19th Annual CPYC Regatta to Benefit Make-A-Wish August 2nd - 4th

Once again our Cottage Park Yacht Club will be hosting Annual CPYC Regatta to Benefit the Massachusetts/Rhode Island Chapter of the Make-A-Wish Foundation. This will be our 19th year.

Plans are well under way for the PHRF Chase Race, the One design/Dinghy line and the Youth Sailing lines. The activities for the weekend include a Friday Night Dinner, Friday evening and Saturday morning race registration, an earlier Saturday evening Make-A-Wish dinner, (children are welcome), raffle drawing, limited auction, Youth Sailing Parents hospitality, youth pizza party, and Sunday pier party and awards.

This year the regattas will strive to be a Clean Regatta as encouraged by "Sailors for the Sea." Reusable bottles have been donated by Codfish Gear.

The internet will be used to a greater extent for announcements, registration, and results through the CPYC website and Regatta Management Solutions, www.regattaman.com

Be a part of the CPYC tradition. There is great satisfaction in knowing that you were able to help a child have a wish granted, and in doing that helped them and their family in very difficult times.

Volunteer to help with the land activities, (contact **Janine Stanton** chairman), with registration or the one design/dinghy race on the water (contact **Sue Hardy**), or with youth sailing, (contact **Teresa Moreira**).

Buy raffle tickets. The raffle tickets are currently available. This year's 1st prize is \$750, 2nd \$500, and 3rd \$250, and more. Tickets are \$3 each or \$10 for a book of 5. The raffle will be drawn on Saturday at the dinner. You need not be present to win. The raffle is a major part of the money we raise for Make-A-Wish.

Attend the Dinner. This year the dinner, 6PM, and cocktail party, 5-6PM have been moved to an earlier time and will be a buffet. The committee is working on making the dinner more fun.

Bid on an auction item. Bidding on these items truly helps us raise funds for Make-A-Wish.

Buy a Tee Shirt. Tee-shirts for our 19th year of the regatta are also available for purchase. Short sleeves are \$12 and long sleeves \$15. Get yours while they last.

You Never Know Who is Watching

While outside BBQing in his back yard, **Richard Honan** captured this picture of **Kyle Erlandsen** climbing his mast by a rope ladder on "EMMA L", his Sea sprite 28. **Kyle** reports that this is a good and safer way to get to the top when you have no one to winch you up. In speaking with **Kyle's** wife, she admitted it makes her nervous that he does this alone.

PILOT HOUSE SUMMER HOURS OF OPERATION

**Sunday and Monday
12:00 Noon to 11:00 PM**

Kitchen closes at 9:00PM

**Tuesday, Wednesday, Thursday
12:00 Noon to 12:00 midnight**

Kitchen closes at 10:00 PM

**Friday and Saturday
12:00 Noon to 1:00 AM**

Kitchen closes at 11:00PM

**Last call
30 minutes before the bar closes**

Per the Board of Directors

Norm and the Gang

Past Commodore Norm Siefert (1975-1976)
and the future of CPYC

Dance Time at the Ball

From San Francisco to Hawaii

Starting on July 6th west coast CPYC member, **Sean McGinn** is racing his little Minitransat 21 footer to Hawaii single-handed. The trip should take about 15-16 days with a little luck. The website for the event is <http://www.mini650pacificchallenge.com/> You can track the race on this website and he will leave audio updates daily from via satphones. **Sean's** brother **Dan** will be there for the start and his father, **John McGinn** is meeting him in Hawaii for the finish. The Windjammer has been promised pictures and tales from this trip. All of CPYC wishes **Sean** a safe passage. Be sure to follow him.

Good bye red counter as the function bar counter gets a much needed facelift.

Youth Sailing News

Youth Sailing began treading for their season with an Informational Parents Night June 10th followed by a marina work day June 15th. . The program currently has over 70 students enrolled with a waiting list. The program starts on July 1st and goes till August 23rd. On opening night, June 31, there is a BBQ at 6PM.

The Parents meeting was well attended, organized and presented. Before the actual meeting started, **Pamela Aranov**, who runs the Adult Sailing Program, invited youth sailing parents to participate to learn more about sailing so they could better understand what their children were learning.

Youth Sailing Chairman **Tom Montgomery** described the goal

of the program, to develop a love of sailing. Further he presented an overview of the program including introducing instructors, plans for scheduling classes for all levels, class placements, the Thursday **Hatch Brown** series for advanced sailors, and equipment requirements.

Youth Board member **Kim Kennedy** discussed the code of con-

duct for children in the program and stresses the importance of safety. She reminded parents that during off lesson times, children need parental supervision.

Head instructor **Lianne Dusek** spoke about the importance of being on time at the start of lessons, and in picking children up for their safety.

This year **Mark Montalto** will be running Tuesday Night races for the children. Parents whose children participate need to be at CPYC during these.

Amy Rodriqz reviewed the regatta schedule and discussed the need for parent involvement and signing up to volunteer. Volunteer sign up sheets were available. **Theresa Moreira** talked about fund raising and how to be a sponsor for the 2013 "Gave Wind" shirts.

Lastly **Tom** announced that he and **Theresa** would be retiring from the Youth Sailing Board this year and encouraged present and future participation.

Youth Sailing has all of this information and more on the club website. Check out the Youth Sailing section on www.cpyc.org.

Youth Sailing Marina Work Day

Youth Sailing News Continued

ED NOTE: The following letter went out to the CPYC membership by email but it bares repeating here in the Windjammer

To All Members,

I'm proud to announce that the Youth Sailing program kicks off it's 52nd year of providing sailing instruction on July 1st. To kick off the season we would like to invite all members to our opening night BBQ @ 6:00pm on July 1st. We'll be serving hamburgers, hot dogs and a variety of salads.

This year we will be welcoming our biggest class in years with 80 kids in the program. The program continues to grow and attract to new members. This year alone we've brought in 9 Pilot Members, 6 Trial members, 2 grandparent members and 1 full time member to the club. The quality of the program and especially the talented staff we have are becoming well known in the community. Lianne Dusek will be returning for her 3rd season at CPYC. Lianne is US Sailing Level 1 certified and she continues to sail competitively at MIT and with the Frostbiters. In addition to Lianne the program returns 3 other US Level 1 Sailing instructors along with a very talented junior staff.

There are numerous people and organizations that contribute to running a successful sailing program. First, I'd like to thank the YS committee for all their efforts getting ready for the season. Additionally, I'd like to thank all the parents who helped out at YS marina day and have donated generously to the program this year. We have a very enthusiastic group of children and parents which is great for the program going forward. I'd like to single out Rick Clancy who along with Joe Duplin has been instrumental in receiving thousands of dollars in donations from New England Ropes, Samsung, Harkin, West Marine, Ward Marine, Forepeak and Shirley Hardware. Thanks to Rick's efforts we have been able to substantially upgrade the quality of our N10 fleet. Lastly, I'd like to thank Linda Epstein and the Frostbiters for making their whaler available to the program during this summer. Their generosity is very much appreciated.

Finally, I'd like to thank Hatch Brown, Mike Gahan and Phillip Marks for their continuing support of the program. Hatch continues to assist with regatta's and work with our instructors and sailors to develop some of the best sailors in the area. Mike and Phillip are always willing to assist in anyway possible.

Lastly, to all our members please let me or another board member know if you have any concerns this summer. Our goal is to have a safe, enjoyable and fun sailing season. Kids have been instructed to respect members privacy and boats. If there are any concerns please don't hesitate to call or email anytime.

Thank you.

YS Committee

In case you missed it, Richard Honan captured the full Super Strawberry Cheesecake Moon in its closest pass to Earth.

Adult Sailing Starts

Adult Sailing held its sign up on Thursday June 27th with 15 students signing up for classes this year. The first class was held in June 27th a misty, gloomy, cool night. The first class focused on basics of sailing using Hatch Brown's remote controlled boat to demonstrate points of sail. A portion of the class focused on knot tying skills

and answering questions about sailing. There is still time to join. Come with life jacket and \$50 on a Thursday evening. Contact program director **Pamela Aranov** at Aranov@rcn.com

Race Committee Work Made Easier and More Fun

This Spring, the Regatta Committee had as one of its goals to improve the functionality of running races from the “Paul W. Marks.” To this point several improvements have been made, while a few remain to be done. The committee thanks **Philip Marks** for the safety adaptations that have been made enabling better access to the engine. **Dave Winkler, Sue Hardy, and Ernie Hardy** spent numerous hours designing and installing a new halyard and flag rack, a rack for course squares, safety handles, creating flag bags, procuring a dock box, and cleaning the boat. **Patrick McDonough** built and installed the beautiful chart desk over the sink while providing storage space below. **Richie Honan** crafted new course squares to replace the old squares. Thank you to all for the efforts.

Race Committee During the Constitution Cup

Pictures by Ro Carlsile

Lower right: committee get a great view of boats racing in the Constitution Cup. Anyone interested in helping with the race committee, contact Regatta Committee Chairman, **Mitch Wiest** at www.regattacommittee.org.

What in the World has the Burgee Seen Now?

Ed and Marita Pyne took the burgee to Alaska with them.

The **Fairbrother's** have to have taken the most "in the news" and timely picture as they shot this picture in front of Whitey Bulger's former West Coast residence in late this April. They had to double park in the driveway next door since the area was "resident parking only" and completely full at 2:00 PM to take this pictures. Whitey lived three blocks from downtown and had the third corner apartment facing Third Street.

Elaine Sullivan took the burgee to the Netherlands this spring. Here we see it in front of the windmill was part of the Mill network located in Kinderdijk, South Holland in the Netherlands. A UNESCO World Heritage Center. She also took the burgee to the Veere Yacht Club in a lovely village with a population of 1,500 located on the shore of the Western Scheldt, a city in southwestern Netherlands on Walcheren island in the province of Zeeland.

The tale with this picture is probably the most unique since the Windjammer started following the burgee around the world. This past May, **Denise and John Economides** had a wonderful vacation in Greece where they visited Athens and cruised the Cyclades on a motor yacht. When visiting the Acropolis and showed the CPYC burgee for a picture - just before a guard came and yelled at them: "No. No flag. Only Greek flag."

They put the burgee away and smiled politely because they had already taken the picture. It was memorable.

Harpoon Night

Sponsored by Harpoon, there was a beer tasting night June 14th for members, family and friends as a way to introduce potential new members to CPYC. Those attending got a chance to visit with members and be exposed to the amenities of the club while enjoying hot and cold appetizers and sampling Harpoon. It was a fun night with many attending.

Remembering Fallen Sailors Memorial Day Weekend

The Memorial Weekend service where a wealth is thrown into the water to honor fallen seamen was held on Sunday, May 26th. Richard Honan moderated the service with remembrances, comments from town, prayers, colors, and throwing the wreath into the water by the Elks Emblem Club. This year the service had to be held on the deck because of inclement cold weather and stiff wind.

The Emblem Club and Grandmaster of the Elks.

Colors and gun salute

Laying the wreath in the water

Sister Ships

New member, **Bob Dickenson's** new Ranger Tug "Suzanne" along side its sister ship **Ray Julian's** "Calypso"

Wednesday Twilights And Boston Harbor Rumble I

The Wed Night Spring Series concluded June 26th with no race due to light air. Preliminary results have **Barry Lawton** in Spirit 1st. The **Hardy's Jaguar** 2nd, and **Tom May's Hound Dog** 3rd in class A. In class B **Charlie Hodgeman's Pajama Girl** is 1st with **Dave Winker's Iphigenia** 2nd.

June 19th we hosted the Boston Harbor Rumble I with 31 boats from Boston PHRF, Constitution PHRF and Hingham PHRF attending. It was a beautiful evening with good sailing. (Photo by **Roe Carlisle**)

Mother's Day Brunch a Hit Again This Year

One of the best attended activities at CPYC the Mother's Day Brunch attracted a large crowd again this year. Thank you to all those who volunteered their time to make this event a success.

Men's Bowling Roll Off

Congratulations to the winning Men's Bowling Roll Off winners, Team Wed Winners. In the first string Team Tuesday jumped out to an 11 pin lead over Team Wednesday Wildcard. In the second string, Team Wed. Winners bowled and outstanding 572, leapfrogging them into 1st place, 65 pins up on 2nd place Team Wed. Wildcard. Team Wed winners continued to bowl well in the 3rd string to win the roll off with 1514 pins. Team Tuesday dropped an excellent 533 pins in the 3rd string to capture 2nd place overall, followed by Team Wednesday Wildcard, and Team Tuesday Wildcard.

Team Wednesday Winners; Elvin Rodriques, Dan Klim, Dave McDonald, Jeff Meskell, and Sub Anthony Williams
