2016 Commodore's Ball

▲ It was an elegant blue and white nautical theme that graced the ballroom for the 2016 Commodores Ball.

There were lanterns, anchors, candle, ropes, under a ceiling of white wispy banners and lights. The CPYC ship was very decked out thanks to the **Schlichting's** vision.

2015 Flag Officers Awards

Robert Baum received the Vice Commodore's award from Commodore **Schlichting** for his work on the dredging committee.

Commodore **Schlichting** presented outgoing Commodore **Marty O'Brien's** Commodore's award to Past Commodore **Jack Condon** for running the Angry Barnacle and Galley food services.

Now Vice Commodore **Brian Murphy** presented the Rear Commodore's award to **Barry Lawton** for his work on the marine facilities committee, as webmaster, and technical assistance at the club.

Surprise Dedication

The corner chair that usually resides at the very end of the Pilot House Bar was dedicated to life member **Roger Sirois** who often occupies the seat on late afternoons. Unveiling the chair and plaque were his grandsons **David O'Brien** and **Mark O'Brien**. The plaque on the back of the chair reads "Life Member, **Roger Sirois**, Member Since 1991."

From the Entertainment Committee Chair.....

Thank you to the members and their families who attended our Mother's Day Brunch (our biggest ever) and our Father's Day BBQ. Both events required a great deal of preparation, coordination and volunteer work. I

want to thank the following people for all their help in making these events run smoothly and successfully. **Jeff & Anne Meskell, Pete Towner, Janine Stanton, Louise Guillotte, Peggy Carr, Holly Schlichting, Alice Reilly, Ellen Reilly, Pamela Aranov, Millie Ferrante, Dave Aloise, Paula Smith, John Cataldo** and his amazingly helpful son **Jake, Owen Trainor** and last but not least the biggest thanks of all to our Commodore **Tommy Schlichting**. You have gone above and beyond in my opinion with everything from food shopping, food prep and of course the cooking itself.

Dinghy Floats Arrival and Installation - An Engineering Project to Behold

How did this big flatbed truck ever get to CPYC? The answer is very early in the morning and very carefully using the extension at the water end of Bartlett Road and the westerly parking lot.

Each float had to be secured with the crane straps before lifting. **Commodore Schlichting** was on hand to assist atop the flatbed with **Dave Aloise** from the parking lot.

◀ After securing each float it was lifted and swung in an easterly arc skirting the deck and placed in the water where **Barry Lawton** and **Dave Kennedy** waited to unhooked each float. ▶ Amazingly the truck was unloaded by about 9:30 AM when it departed.

◀ The floats were moved first to a staging area by the easterly work float until all were in the water. Assembly followed with the help of **Eric Kirton**, **Dave Girard**, **John Cataldo**. Then the floats were moved just outside the pilings until the barge arrived. ▶

The barge arrived promptly and the tricky job of lifting the gangway, removing the old float, placing the new float and securing the gangway on it began.

◀ First the gangway had to be secured and lifted some in order to remove the pins holding it to the main pier. **Dave Girard**, **John Economides** and **Dave Aloise** carefully removed the pin.

The gangway was lowered onto the old float to re-balance the straps before moving it to the new floats.

▶ (Continued next page)

Once the gangway was safely on the new floats, the old floats were prepared to be removed. (Above)

◀The old float had to be negotiated between the pilings, allowing for the new floats to be put in place so that the gangway could be installed.

It took several attempts to place and connect the gangway in the correct position. ▶

◀Once the crane hauled one old float, it was broken up and trashed. All the other old floats found new homes, saving the disposal costs.

The dinghy docks in place, awaiting finishing touches. ▶

As another season begins for approximately 65 students, there are exciting changes in our youth sailing program for Summer 2016 that will offer an abundance of fun while providing solid sailing fundamentals.

Youth Sailing Program Begins

Intermediate classes will run from 8:30 a.m. to 1:30 p.m. This change will allow for

Adventure sailing activities will be incorporated this year to provide new ways for our children to experience the waterfront. STEM activities will continue to be integrated into the lesson plans. The instruction levels have been realigned to keep the age groups closer together while providing appropriate level construction. In addition the program will be using a wider range of boats to give participants a broader experience.

Based on feedback and with a focus on making the program as beneficial as possible, some changes in schedule have been

made for the older children.

Beginners classes will run from 8:30 a.m. to 10:15 a.m. with an optional extended day program to 12:30 p.m., of games and fun activities that follow up on the lessons.

more flexibility around sailing times to extend the amount of time students have in boats. There will fun activities when not sailing.

Advanced/teen classes will meet from 1 p.m. to 4:00 p.m. for a combination of sailing and other activities based on weather conditions.

Registration Night

Following last years enthusiastic response to Race Clinic, this is being offered again this year on Mondays from 1 p.m. to 4 p.m. The program is geared to intermediate racers but is open to any student with a solid understanding of sailing fundamentals and a desire to improve their racing skills. Instruction will focus on improving speed, sail trim, knowledge of rules and tactics.

YOUTH SAILING FUNDRAISER TOGA TIME AT CPYC

The Toga Time fundraiser, brainchild of **Barry Lawton**, brought attendees back to their college days. Togas were not required for this evening but many chose to go Greek for the evening. Most wore white togas but some chose colors. Centerpieces adorned with overflowing bowls of grapes paid tribute to Dionysus (Bacchus) the Greek God of wine and grapes. The evening was a successful fundraiser.

Adult Sailing Begins

Our CPYC Adult Sailing program has just begun. We meet on the dock every Thursday at 6:00 pm to go out sailing, learn new skills and enjoy a beautiful evening sunset. Whether you're a true beginner or an aspiring cruiser or racer,

every sail is a new experience. For our first night, we had four boats, six instructors and ten students. Any member or spouse of a REG member can sign up for lessons. Applications are available in the white envelope in the slot behind the door to the right of the membership board. Fee is \$100.

22th Annual CPYC Regatta to Benefit Make-A-Wish August 6th - 7th

Once again our Cottage Park Yacht Club will be hosting Annual CPYC Regatta to Benefit the Massachusetts/Rhode Island Chapter of the Make-A-Wish Foundation. This will be our 22nd year and we have returned to the 2 day format. Plans are well under way for the PHRF Chase Race, the One design/Dinghy line and the Youth Sailing lines. The activities for the weekend include Friday evening and Saturday morning race registration, a Saturday evening Make-A-Wish dinner, (children are welcome), raffle drawing, limited auction, youth pizza party, and Sunday pier party and awards. Regatta Management Solutions, www.regattaman.com will be used for Notices of Race, registration, Sailing Instructions, results, and informational notices.

Be a part of the CPYC tradition. There is great satisfaction in knowing that you were able to help a child have a wish granted, and in doing that helped them and their family in very difficult times.

Volunteer to help with the land activities, (contact **Janine Stanton** chairman). The more people that can help, the lighter the work.

Buy raffle tickets. The raffle tickets will be available soon. This year's 1st prize is \$750, 2nd \$500, and 3rd \$250, and more.

Tickets are \$3 each or \$10 for a book of 5. The raffle will be drawn on Saturday at the dinner. You need not be present to win. The raffle is a major part of the money we raise for Make-A-Wish.

Attend the Dinner. This year the dinner, 6PM, and cocktail party, 5-6PM have been moved to an earlier time and will be a buffet. The committee is working on making the dinner more fun.

Bid on an auction item. Bidding on these items truly helps us raise funds for Make-A-Wish.

Buy a Tee Shirt. Tee-shirts for our 22nd year of the regatta are also available for purchase soon. Short sleeves are \$15 and long sleeves \$20. Get yours while they last.

We appreciate your support for this iconic event at our club. Thank you for your consideration.

The First Wednesday Night Rumble Start with Constitution PHRF and Hingham PHRF was delayed due to an inbound LNG Tanker. (Below) Thirty eight boats participated. Congratulations to *Wild Thing* and *Spirit* for winning Class B and G Divisions.

Meet Our New Members

Regular Members

We welcome **Sylvia Millie Ferrante** who owns Millie's Kitchen at Crystal Cove. She operates our food service has become a regular member.

From Leominster, **Kevin Godin** and his wife, **Amy**, have recently become owners of a Dufour 30. **Kevin** is new to sailing but looks forward to learning more about sailing. He is an IT analyst with Partners Healthcare.

William Gault recently moved to Winthrop and had fallen in love with the town. A real estate agent, **Bill** owns a powerboat currently at Crystal Cove. Getting married soon, he and his bride are looking forward to both the social and boating aspects of the club.

Two members, **Louise Guillote** and **Ginny Gaeta** have converted from social to regular membership.

Young Adult Members

Simon Tebbe is no stranger to sailing. He grew up on the Connecticut shore and sailed out of Riverside Yacht Club on Long Island Sound. **Simon** is a senior at Northeastern University, and will work as an engineer after graduation. He owns a Catalina 30 which he is moving to the club.

Trial Members

Michael Garabedian and his wife Sarah live in the North End and have just purchased their first sailboat, a Pearson 33.

Mike works as a softwear engineer and Sarah for a nonprofit. They enjoy the view from the club.

Social Members

A member if the **Nalen Clan**, **Steve Nalen** is a mechanical engineer for Keurig Green Mountain , a Winthrop resident and interested in bowling.

A retired fire lieutenant for the Winthrop Fire Department, **Robert Burditt** is the grandfather of **Conor** and **Marie O'Brien**. **Robert** enjoys playing pool and spending time with his family.

Lisa Mignosa is a wellness trainer and tends bar at CPYC part-time. She is interested in working with the entertainment committee.

Already active at CPYC, **Shannon Girard** is now a social member. She has

A teacher in the Winthrop Schools and a Winthrop resident, **Jason Durkee** has many friends who are members of CPYC.

Revere resident **Eugene Borganzi** is a friend of **Ginny Gaeta**. **Gino** is an accountant and looks forward to becoming involved in the club.

Stacy O'Leary is is no stranger to CPYC. From Cambridge, she is an accountant and the bookkeeper at our club. She looks forward to the camaraderie that our club has to offer.

A recent arrival from Ireland, **Micheal McAughey** is the brother of social member **Orla Twomey**. **Michael** met his fiancée, social member **Jen Hazlett** in the Pilothouse a few years ago and the rest is history.

From the Membership Committee...

The Social Memberships filled up quickly for 2016. We currently have a waiting list for social applicants. In some cases, a REG membership can make sense for a person who may have considered SOC membership. If you are a couple and both want independent club privileges (so that a spouse can come on his/her own and bring his/her own guests), or you intend to get a boat in the future and want to start accruing seniority, we recommend a REG membership. REG members also have equity in the club, as they can vote and chair a committee. If you're already a SOC member and want to upgrade to a REG membership, contact **Pamela Aranov** at aranov@rcn.com.

Schooner America To Visit CPYC

Plans are in the works for the replica of the schooner America to visit CPYC on Tuesday July 26th. The boat should arrive around 2:30 PM and be open for member tours from 3-5 PM. An America's Cup lecture is planned from 5-6 PM followed by a chance for members to sail aboard America into Boston. The cost for the sail is Adults \$85.00 and Children 12 and under \$42.50. Arrangements for return transportation TBD. Look for email updates.

The schooners visit is somewhat weather dependent as it has to come in during high tide.

Pilot House Upgrades

Recently a new ice chest was installed behind the Pilot House Bar. This ice chest provides additional storage space reducing the need for the bartenders having to go into the walk in refrigerator as

often and provides good visualization of the contents for both bartenders and customers.

Thanks go to Men's Bowling for the new swivel bar chairs and conversion of 3 tables to high tops. This is a nice change to the Pilot House as it enables diners to better see the view and makes the room appear more spacious.

Ladies Bowling Roll Off

The Ladies Roll was won by Tuesday with 1076 pins. Going into the second string, there were 14 pins separating 1st and 3rd place with Thursday ahead of Tuesday by 1 pin. Bowling very well in the second string Tuesday took the lead by 41 pins. They were able to hold on to that lead finishing 40 pins ahead of Monday, followed by Wednesday and Thursday.

THE CPYC BURGEE ON THE MOVE AGAIN

Betsy Gahan and Elaine Sullivan toured the Norwegian Fjords which are a part of Skjolden. Nice tour boat. No wonder you are in foul weather gear!

Congratulations to the top Trivia Team of the season winning every Trivia night.

Book Club

The September 27th selection is Spandau Phoenix by Greg Iles. A novel beginning with WWII, this book explores the possibility that Rudolph Hess escaped from Germany and was never caught leaving a double to be imprisoned in

Spandau. Numerous twists and turns make for an intriguing read.

The October book will be Bill Bryson's book A Walk in the Woods. Described as the perfect travel book, readers will take a humorous walk with a neophyte hiker across the Appalachian Trail.

There is a possibility that book club will be sponsoring a book launch in the fall. Stay tuned for more information. Book Club welcomes all. Discussions are free flowing and enriched by the varied experiences of those in attendance.

Attendees are free to contribute or to listen. For questions, contact **Pamela Aranov** at www.aranov@rcn.com

Maritime Magic Show Friday July 22 7 PM at CPYC
