## UNDER THE CLUB

The ice this winter was not kind to CPYC. The club knew that there needed to be some work done this spring under the bowling alley, but the barrier wall was not expected to collapse. The pictures to the right and left show the collapsed barrier wall, damaged support and new supports in place before the barrier wall was repaired so that interrupted bowling could resume. Seacoast Contractors owned by **Mike Carney** poured the foundation of the wall and the barrier wall has been completed. The pictures below and on the next page show the repair process and completion of the barrier wall.

Another issue surfaced where the westerly side of the head pier had dropped considerably due to a weather and wear related failure of the under pinning. The quick action and hard work of **Eric Kirton** (complete with wet suit), **Dave Aloise**, **Ernie Sordillo**, **Jayson Nalen**, **Owen Trainor**, **John Cataldo**, **Jared Kirton**,

(Continued next page)

## Under the Club continued:

**Bill Nunnery, Larry Buote, Bobby Crotty Jr. and Charlie Hodgman** not only prevented further damage, but corrected the issue for just the cost of materials. Just another example of the wonderful and resourceful members in our Club.

## THE COMMODORE ANNOUNCES FOOD SERVICE CHANGES

As April 24th the Angry Barnacle's one year contract for food service expired. We have been fortunate to have had the expertise of Past Commodore **Jack Condon** and **Donna Quattrocchi** providing good food and service with a variety of choices at reasonable prices. We thank them for their efforts.

While we say good bye to the Angry Barnacle, the good news is that we say hello to The Galley @ CPYC, our Club's new food service owned and operated by CPYC. Food service at The Galley @CPYC will be managed by CPYC's newest employee, **Jack Condon**. **Jack** will be assisted by **Donna Quattrocchi** as CPYC's employee in a very limited capacity. He will also be a regular onsite presence working with the House Committee. He will help oversee the general operations of the facilities and many of the vendors that provide services to CPYC.

## Calling All Kayakers

Interested in a kayaking club here at CPYC? Get out on the water more often, share tips, and enjoy the fun of kayaking with others. First meeting to discuss a schedule of meet-up times for the summer season will be on Saturday, May 23 at 1:00 p.m. in the Pilot House. If you have any questions or are interested but can't make the meeting, please contact **Laurel Landers** at [laurellanders2003@yahoo.com](mailto:laurellanders2003@yahoo.com) or 781-237-3736.

## Dredging Bonds

A reminder that the club will be issuing bonds to fund portions of the dredging the minimum purchase is \$5,000.00. The return on the investment will be simple Interest, non-compounded with an annual rate of 5%, paid annually. If you are interested in purchasing a bond CPYC-Commitment letters must be signed in advance. They can be obtained by emailing the Treasurer at [treasurer@cpyc.org](mailto:treasurer@cpyc.org).

## The Deck Project Progresses

The frame work is installed

Spacer supports are cut and installed

Decking is added

Posts installed

## Attention New Boston Harbor Race Mark Charts

Throw away any charts and mark lists for Wed Night Racing that are not marked **“Revised February 2015”**.

The charts have been revised and many of the mark designations have changed. New charts are available from the CPYC Regatta Committee or the RC boat. No excuses for rounding the wrong mark!

## Junior Olympic Sailing Festival Plans Make Good Progress

The plans to make the JO's a great regatta are well underway. A regatta like this takes many hands and has numerous moving parts to it. **Dave Aloise** and **Rick Clancy** have done an unbelievable job securing sponsors and deserve the committee's and club's thanks. The Windjammer will be featuring ads from our sponsors at the various sponsor levels over the upcoming year. Please see below.

**Jeff Jorgenson** did our official website where competitors and anyone interested can find valuable information about the regatta. The website is linked to our registration/scoring program, Regatta Management Solutions, to make entry easier. It is also linked to both US Sailing and Mass Bay Sailing to enable joining both organizations. The Notice of Race is written and on the website.

Thanks to **Dave Winkler** and **John Economides**, “The Paul W. Marks” has a new depth sounder linked to the GPS and will be getting an electronic wind speed and direction unit.

**The Hardy's** have done a complete inventory of equipment. Running 3 race circles requires knowing exactly what we have and adding if necessary. Thanks to our sponsors, some of whom have designated donations specifically to equipment, we are being able to round out our equipment inventory within the JO budget.

Regatta wear for US sailing Junior Olympics has to come from a designated supplier. We are fortunate that one of these is our **Theresa Moreira** and Codfish Gear. Each competitor will get a tee shirt. Other JO Regatta wear is available for purchase and available at [www.codfishgear.com/juniorolympics](http://www.codfishgear.com/juniorolympics)

Thank you to **Commodore O'Brien** for securing the Town Landing to store and launch the 420's.

The above is just a fraction of the work that has been being done and details worked out by the JO Committee. They all deserve thanks for their dedication.

The CPYC membership has been terrific in offering to help with the event. There are still spots available both on the water and on land, Aug 9th through 12th. Any one interested in volunteering, please contact **Sue Hardy**, [windjammer@cpyc.org](mailto:windjammer@cpyc.org). The committee will be contacting those who have volunteered by email shortly.

## Winthrop Frostbite Sailing Club

Congratulations to **Jim Bowers** and **Gaelen Adams** for finishing 1st in the Inter Club Nationals this spring at the Metedeconk River Yacht Club. They finished in 1st place in 6 of the 12 races. Finishing 3rd were Winthrop's **Dave Nelson** and **Julia Marsh**.

## CPYC Youth Sailing Hosts New US Sailing Educational Program

US Sailing has implemented a program called REACH. The REACH initiative utilizes sailing as an educational platform challenging youth to embrace education and explore “STEM” - based concepts and careers. “STEM” is an acronym that stands for Science, Technology, Engineering and Math. After CPYC’s Youth Sailing Symposium in the fall, Youth Sailing was introduced to REACH and decided to have two committee members (**Barry Lawton** and **Angela Hickey**) take part in the Educator Course offered through US Sailing. US Sailing held the STEM Educator Course at the CPYC on Saturday, April 4th. We had a total of eleven participants that included various Sailing Instructors, two Math Teachers, one Chemist, and a Tech Educator that came in from Wisconsin to take part in the six hour course.

The CPYC Youth Sailing Committee agreed that having the ability to incorporate some STEM based activities into our youth sailing program that would complement the sport of sailing would be a great enhancement to the overall experience for our youth sailors. The REACH modules and actives are designed to be hands-on, inquiry based learning opportunities that inspire interests in the fields of study including physics, marine biology, environmental science, math, robotics, technology and more.

The committee is hoping to incorporate a few of the modules into the program this summer. **Barry** is hard at work with

various “simple machine” and buoyancy concepts and **Angela** is working on environmental science that utilize water quality testing, wind speed, meteorology and marine debris. These are just a few of the modules to get the integration started. Eventually, they would also like to phase in sail area and perimeter, wind power, upwind sailing angles.

This picture shows a Simple Machine in action - the “pulley”. Here students explain how pulleys work and identify types of pulleys and simple machines on a sailboat.

Above students explain up wind sailing concepts such as tacking through 90 degrees and what happens when you over-rotate through a tack. Students gain an understanding of the geometry present in upwind sailing and apply knowledge about complementary angles in relation to tacking and sailing a shorter distance.

*Cottage Park Yacht Club's  
Annual Mothers' Day Brunch*

*Sunday, May 10th  
11 am to 1 pm*

*Please RSVP by Wednesday May 6th

## CLUB TENDERS

The Club has gone to the expense affording two tenders for the use of the mooring holders. Everyone who uses these tenders is asked to care for them as if they were **their own**. You are asked to leave the tenders in the same condition you found them or in better condition. Please remember good seamanship above all else.

**Tenders are for the sole use of the mooring holders for transportation to their boats. They are not playthings or toys.**

**Please when finished using a tender return her to the place where she was found and tied her up portside to.**

**Please properly ship both the oars and tie them down to prevent any damage or breakage to them or the loss of an oar.**

**Please bail or sponge out the tender before and after using.**

**Please try not to use a tender more than a half hour. Others may want to use the tender, too.**

**Please report any and all damage to Bosun, Launch Operator or Wharfinger so repairs maybe made as quickly as possible.**

**The Tenders are not work boats or mooring setters or pullers and are not be used as such.**

**Do not use outboard engines of any type on the Tenders. They are not registered vessels and the transoms will not hold an engine's weight.**

Funeral Director/Owner

## Welcome to Our New Members.....

### Regular Membership

From Revere, **Edward Deveau** recently purchased a sailboat that has been refitted in Maine. He is friendly with **Chris Cipoletta** and **Maribeth Di Blasi**.

**Peter T. Ellison** and **R. Kenneth Lindsay** are brothers-in-law who co-own *Minke*, a Contessa 31 cruising sloop. A Biology professor at Harvard, **Peter** grew up sailing and racing Turnabouts out of Medford Boat Club. He and his wife, **Pippi**, are looking forward to enjoying CPYC. **Ken** and his wife **Sylvia** live in Amherst, MA. Both are retired elementary school teachers. **Ken** grew up sailing and racing Penguins, Thistles and Lightnings on the Hudson River, where in his later teens, he was an instructor in a junior sailing program.

### Trial Membership

Winthrop resident **Joseph Zarba** is interested in meeting new people and is looking into the Youth Sailing Program for his daughters, ages 6 and 8.

**Stu** and **Ann Vaeth** have 4 children and reside in Winchester. A long time boater on Cape Cod, **Stu** is moving his powerboat to CPYC this spring so that the family can enjoy boating on Boston Harbor and touring the islands.

### Social Membership

**Richard Gill** is a long time Winthrop resident and retired educator.

From East Boston, **Alessandra Petrucelli** is married to State Senator Anthony **Petrucelli**. A mother of two, she practices law and is involved in the community.

**Melanie Young Abuthnot** is a Winthrop native and a niece of **Kathy** and **Jack Trainor**. A neighbor of CPYC, she has many friends already members and is interested in getting involved in the entertainment committee.

An inflight supervisor for JetBlue, **Adelita (Ade') Ena** has fond memories of visiting her grandmother and cousins, the **Magnan's**, and spending time at CPYC. Now that she has returned to Winthrop she is anxious to get involved at CPYC.

**Margaret (Peggy) E. Carr** grew up in Winthrop and is returning to her roots. A retired CPA, **Peggy** is looking forward to renewing her connection with CPYC and getting involved in the community. **Peggy** is interested in adult sailing lessons and getting involved in the Make-a-Wish Regatta.

**Elaine L. Ciampa** was born and brought up in Winthrop and is living in her childhood home. A retired nurse and health center director, **Elaine** wants to get involved in the entertainment committee and book club.

Former member **Timothy Boudrow** is also applying for SOC membership. Another Winthrop native, **Tim** is an IT professional and wants to get into bowling again.

Winthrop resident **Michael Bacon** creates his own line of jewelry and is involved in a number of non-profits and social organizations.

# Scenes From Marina Weekend Spring 2015

**Pier planks get repaired or replaced**

**Numerous finger floats were hauled, cleaned, structure repaired and new tubs installed as needed.**

**The launch was thoroughly cleaned**

**The equipment and supply area for the weekend—a hub of activity.**

**The Vice Commodore repairs chairs**

**Paint was touched up throughout the club in high traffic areas.**

**Installing the depth sounder. Getting in and out of the engine compartment is a challenge.**

## Youth Sailing News

On Monday April 27th. Youth Sailing held its program sign up/ registration night. Early registration is important to planning for the summer program but if interested but unable to make registration night, you can contact **Kim Kennedy** at [hardy.k@comcast.net](mailto:hardy.k@comcast.net) Youth Sailing will be holding a parents Information meeting on Monday, June 8th at 7PM in the ballroom. This is an opportunity for parents to learn about the program and to have their questions answered. Parents of participating children are encouraged to attend.

The sailing program begins on June 29th with a BBQ for the youth sailors and families that night.

## The Burgee Travels Again

**Ro Carlisle** reports that she is doing fine in Yap and working very hard. We just had a typhoon come through the area - the second one since she arrived. Yap island did well but the outer islands have reported significant damage. It also hit two other FSM states, where there was loss of life. The trip to Palau was fun. She explored the Rock Islands, snorkeling, and visiting museums. Of course while there she visited

the Belau Royal Yacht Club, Palau. In Yap, for fun, she is working on getting her diving certificate - will be taking the exam and completing dive lessons soon. (Above)

At the recent wedding of her cousin **Elaine** to **Bob Kerziner**, CPYCer **Pamela Aranov** traded burgees with **Peter Glick**, Commodore of the Del Ray Yacht Club in Marina Del Ray, California. **Pamela** enjoyed the beautiful weather that only Southern California can offer. (Left)

## WHS Sailing Team Sailing Again Out of CPYC

It has been a difficult season for the Winthrop High School sailing team as they have been hampered for both practices and regatta by numerous days of high winds. Their May schedule will include Nantasket at CPYC May 6th, Manchester Essex May 7th away, and Pingree May 8th at CPYC.

As of this writing, they have had one loss and one postponement with Concord that will be resailed the last week of April.

CPYC wishes the team good luck and fair winds for their season.

# Book Club

## The Ear Hears.....

April 28th will feature "The Boys in the Boat" by Daniel James Brown. This is a non-fiction book about nine Americans and their quest for gold in the 1936 Berlin Olympics.

"We are all Completely Beside Ourselves" by Karen Joy Fowler is the selection for May 26th. The

central character is the narrator of this story as she looks back and recounts tragedy that happened to her family of scientists. Science is subtly woven into the story.

"The Target" by David Baldacci is a Will Robie and Jessica Reel series book. They join forces to take down a global menace that could result in presidential impeachment and death if the mission fails. The date for this book is June 30th.

The book club usually meets around the fireplace in the ballroom. We look forward to seeing new members. All are welcome to come and share their thoughts and ideas about the chosen book, or just listen.

For further information or questions contact **Pamela Aronov** at [aranov@rcn.com](mailto:aranov@rcn.com).

It is with sadness that we send condolences to **Elizabeth Ham** on the passing of her husband **Harold Ham, Jr.** Harold was a longtime member of CPYC and a bright light in the Pilot House. He will be missed.

\*\*\*

Our condolences to **John and Trudy Macerro** on the recent passing of **John's** father.

\*\*\*

Our sympathies to **Bob Mitchell** on the loss of his sister **Joan Mulkerrin.**

\*\*\*

Our condolences to **Trisha and Greg Sullivan** on the passing of **Trisha's** father, **Edwin Doyle.**

\*\*\*

Congratulations to **Meghan and Seth Welborn** on the birth of their daughter **Alta Merritt.**

\*\*\*

Congratulations to grandparents **Elaine and Philip Marks** and parents **Brian and Katie** on the birth of **Benjamin William.**

\*\*\*

**Helen and Lou Todisco** are excited to have a new grandson, **Asher Rocco Todisco.**
