High Tides and Strong Winds At the Noon High Tide

The main gangway broke loose at the connections to the head pier.

Safety chains kept the gangway from sinking. Above broken pintails shown with white circle. Picture by Colleen Lally

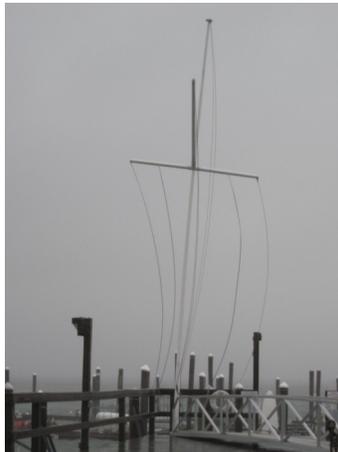

The easterly mule taking a beating. Note the height of the water under the head pier.

At the Storm's Peak Winds

The strong winds moved a winter stored easterly gangway across the head pier.

The yardarm listed significantly in the gusts but survived, amid concerns.

One boat broke its mooring and sailed into an easterly slip, sideways causing damage to the boat and marina. Two other boats were blown up onto the airport and one dragged its mooring into the channel.

Nominating Night

➤ November ➤

All members with voting rights are requested to attend the Nominating Night Meeting on November 28th at 7PM. The primary purpose of this meeting is to elect a Nominating Committee. As outlined in the By-Laws, Article VII, Section 2. "A Nominating Committee of five members shall be elected each year by paper ballot. Names for election to said Committee shall be accepted from the floor only. Of the five members elected, the one with the greatest vote shall serve as chairman."

The election of the Nominating Committee is very important because it is the Nominating Committee that compiles a slate of candidates to fill the offices of Commodore, Vice Commodore, Rear Commodore, Treasurer, Secretary, Board of Directors, and Audit Committee, all elected annually. Election to the Board of Directors occurs as terms expire.

Usually the Nominating Night Meeting falls on the third Wednesday in November except when that date is the night before thanksgiving, as it is this year. Accordingly, the meeting is the week after Thanksgiving.

Information on other matters to come before the membership will be announced closer to the meeting. You are encouraged to attend.

FRIDAY NIGHT BOWLING NEW SEASON HAS COMMENCED AND WELCOMES NEW MEMBERS

While our evening of bowling starts at 7:30 PM, most of us come earlier, shortly after 6:00PM, to enjoy dinner together in the Pilot House thanks to the wonderful new menu which is now available. We have over ten regular members and several who drop in occasionally and would welcome any new bowlers (couples or singles) desiring to join us. To obtain further information and sign up, please call me at 617-846-2901.

Looking forward to having you join us for a great season of fun and comradeship.

The Barge replacing approximately 20 piles which have broken over time had been hard at work the week of October 22nd. The picture above really shows just how big the barge is in relation to the club house. The tide was quite low when the picture was taken.

Attention CPYC Members

As you all know, I run a program of sending care packages to our men and women serving in the military in Iraq, Afghanistan, Kyrgyzstan and other hot spots in the middle east. Perhaps they are aboard a ship in the Pacific Ocean, the North Sea or the Persian Gulf. Maybe on guard duty on the DMZ in Korea or as an embassy guard in a foreign country. Next month marks the beginning of the holidays. If you have a family member brother, niece, uncle, brother in law or a close friend serving in that area, let me know. Perhaps I could send them a little holiday joy, a Christmas Tree or a care package from Winthrop. Send me an email at Rdhonan@comcast.net with their name, address, branch of service, rank etc. You could also tell me a little bit about them, age, hometown, MOS or military occupation. If they have a favorite snack or sports team, let me know and I'll put a smile on their face, a smile in their heart and a smile in their stomach.

A Tribute to Tink Martin

By Richard Honan

I'd known **Anita "Tink" Martin** for fifteen or more years. She always used to tell me that my mother and father were the first people to greet and welcome **Tink** and her husband, **Bill** when they moved back to Winthrop several years ago. She loved the fact that I built wooden boats and promoted boat building with my family and friends. I loved to tell her about my trips with my grand children out to Snake Island or the hazardous winter conditions we encountered in the Hull Snow Row (named for Winthrop's own, Edward Rowe Snow) I'd always make a point of rowing or paddling by her house on Washington Avenue to show off my latest boatbuilding project.

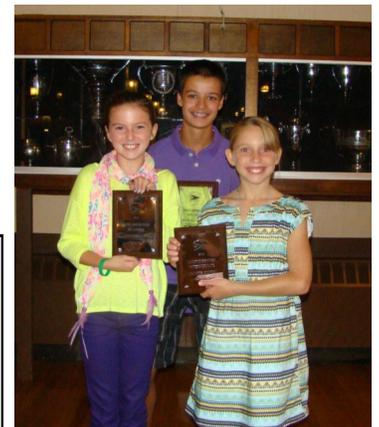

She was an advocate for the clam digger, lobsterman, fisherman and anyone else that made their daily bread from the sea. She just had it in her blood, the need to get out the news about anything marine oriented, whether it be the latest information about the dredging of Winthrop Harbor or the arrival of the tall ships. She believed that children in Winthrop, besides learning english and math, should have the opportunity to learn how to build a boat. That Belle Isle Marsh was not only a place to visit for a nature walk, but was even more important as an environmental site for migrating birds and clam beds that helped filter the sea water. She loved the beauty of the lighthouses that dot our coast and the history that went along with them. Whether she was writing about the Boston Harbor Islands, Snake Island or Belle Island Marsh, she always made a point of highlighting those people who worked behind the scenes to ensure that these treasures will be there for future generations. I think her biggest disappointment was the fact that Winthrop had no Clam Warden. She will be forever missed!

To **Tink** - May the road rise up to meet you, May the wind always be at your back, may the sun shine warm upon your face and rains fall soft upon your fields. And until we meet again, may God hold you in the palm of his hand.
(Editors Note: **Tink** was a great supporter of CPYC and of the Windjammer by adding our events to her weekly column and by making references to the Windjammer. It will be very strange not to send her an issue this month.)

Youth Sailing Summer in Review

Youth sailing wrapped up another successful sailing season on August 17th with a year -end pier party. (Pictured on left) The party was a big hit and enjoyed by everyone. As is our tradition the season concluded with a "fun week". The older kids enjoyed a trip to George's Island and a pool day while the beginner class enjoyed swimming and kayak races. The program ended with our annual pirate day and scavenger hunt.

It was another successful season on the water for our sailors. **Emma and Ally Montgomery** placed first in the Championship Fleet at the N10 Open and Town River Regatta's. **Marc and Joey Montalto** won the Intermediate fleet at Town River.

The 2012 N-10 Midgets Regatta was held on July 24th and 25th at the Medford Boat Club. 55 boats participated in this two day regatta, with six from CPYC. (Pictured to the left)

Emma and Ally Montgomery finished in second place. Congratulations to 10 year old **Christopher Rodriguez** (right) won the Merriman Trophy for the best sailor 11 or under racing in the regatta. **Christopher** actually finished 20th because he did not race for the last two races. It was so windy that half the fleet did not race. He did well enough the first day to win the Merriman!

Over the years, there have been a number of sailors from Cottage Park that have won this trophy including (pictured to left) **Kayla Famolare, Emma Montgomery, Christopher Rodriguez, Mark Montalto, Celia Moriera.**

Tuesday Twilights

Our beginner class continues to show tremendous improvement and enthusiasm for the program. Both Tuesday Twilights (run by **Mark Montalto**) and Tiller Time helped strengthen the beginners.

CPYC hosted The Juniors Regatta for the second year in a row. We had one of the biggest fleets ever with 16 sailors age 13 or older single- handing an N-10. 5 clubs were in attendance. It was a beautiful day of racing and when all was said and done only one point separated 1st and 2nd. 1st **Ethan Cash** WYC, 2nd **Cecilia Moreira** CPYC, 3rd **Michael St. Jean** CPYC. (Cecilia Moreira pictured right sailing Lil' Rebel)

We had very good finishes at the N10 open, MAW and there was participation in our Hatch Brown Series by many of our sailors. The program would not be possible without the hard work of our instructors. All the instructors led by **Lianne** did a great job this year. The Youth Sailing Committee would like to thank the Flag Officers and Board of Directors for their support and assistance during the season. The program would not succeed without their support.

Member Spotlight

This month the Windjammer is spotlighting member and artist **Frank Costantino**. An architectural illustrator of international note, he is also a watercolor artist. Often you will see **Frank** on the head pier with his easel and paints capturing CPYC scenes. He has been very generous donating works to our Make-A-Wish events over the years.

Frank will be having four shows around Boston November through January: THE FRAMER'S EDGE, 210 Quincy Ave., Braintree, MA Saturday, November 3, 5-7pm; Portrait Showing," Display of drawings and talk by Editor Judith Champa of Art New England, Thursday, November 29, 6-8 pm., CANVAS FINE ARTS GALLERY, 162 Boylston St (Steinway Bdg.) 6th Floor, Boston, MA; "New Directions" December Show at: Thom. Moser Showroom Gallery, 19 Arlington St., Boston, December 6-27, 2012; and "Portrait Event" Sketch drawing demos of sitters by Frank, Liberty Hotel, Cambridge St., Boston, Tuesday, January 22, 2013 6-8 pm. The painting on the right is one of those **Frank** will be showing. He would love to see CPYC members at his shows.

Regatta Committee Season Wrap Up

This past spring the club by-laws for the Regatta Committee were updated in line with current racing practices. As a result, under the leadership of Chairman **Mitch Wiest**, a more representative committee was formed and training sessions were offered to help train new volunteers. The committee hopes that the bank of volunteers will continue to increase in the future. Race Committee volunteers are being given shirts to thank them for their service and to wear when on race committee duty next year.

The Boston Harbor Rumble had a banner turnout with 52 boats participating. The Constitution Cup and JFK regattas drew 26 and 27 boats respectively. The Make-A-Wish Chase Race, One Design and Youth races were well attended with good racing. The Wednesday Night races concluded in mid September. Of the 15 scheduled races, 3 had to be cancelled due to a lack of wind. The CPYC Awards night will be held in conjunction with the Mass Bay Awards Dinner on Friday November 16th, cocktails at 6:30 PM and dinner at 7:15 PM. Tickets are \$30 pp. Reservation may be made online at www.massbaysailing.com or delivered to CPYC by Monday Nov. 12th.

The Bosun Reports ---

The launch *Windjammer* went through a major restoration this spring. No item was left unchecked. Some feared that things would not be put back together again.

The boat was restored successfully as shown below.

In addition the *Windjammer* had to undergo a USCG mandated stability test. This test was performed by a qualified naval architect during which barrels filled with water were used to challenge the stability.

Thank you to **Dean Fairbrother** and **Dave Aloise** for all of their hard work in the restoration and upkeep of the launch. My apologies if I left someone out. For the second year in a row, launch service was provided on every day that it was scheduled to run.

Thanks to all

Anne and Paul Duval had a great month in France this last August. They flew the CPYC burgee on two boats they rented while there. The first boat was a Jenneau Sun Odyssey 36 named OMER. ▶ They sailed this boat from La Trinite sur Mer to the islands of Houat, Hoedic, and Belle Ile off the Quiberon peninsula on the coast of Brittany .

▲ Their favorite anchorage on Houat.

The second boat was the canal boat Normandie which they picked up in Trebes and motored down the Canal Du Midi for a week with the final drop off in the city of Narbonne.

▲ Locking downstream on the Canal du Midi. Their German friend's son **Marcel Horbach** handled the stern line. Note the burgee flying off the stern with a makeshift flag staff. ▲

Book Club

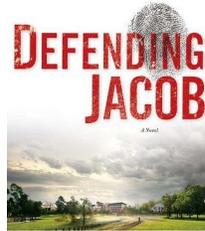

The Book Club has announced the next three selections for discussion. They could make a perfect Holiday gift.

November 27th is the novel "The Paris Wife" by **Paula McLain**. A story of Ernest Hemmingway and his first wife Hadley, this book is a depiction of love and frayed loyalty during the fast paced Jazz Age in Paris in the 1920's.

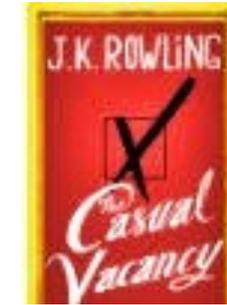

On Jan 15th, the club will discuss "Defending Jacob" by **William Landay**. Filled with credible dialogue this book is both a thriller and a love story.

WILLIAM LANDAY

The February 12th selection is **J.K.Rowling's** book "the Casual Vacancy." Her first adult novel, it is described on the cover as "A big novel about a small town" and the war within it. Please join us at 7:00 PM around the fireplace. All are welcome. For further information, contact **Pamela Aranov** at

The Ear Hears.....

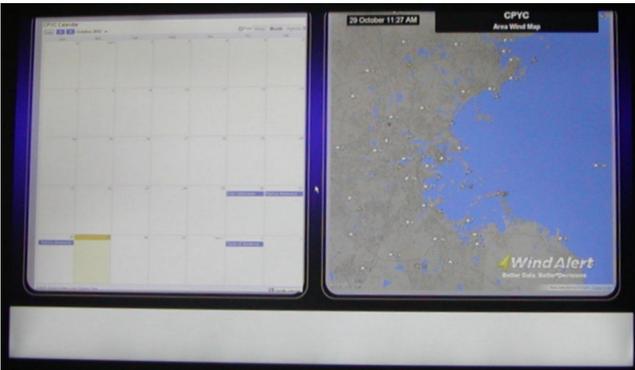

CPYC has lost a great lady with the passing of **Judy Gaffney**. She brought so much to the club with her smile and enthusiasm. She could light up a room. **Judy** was always a supporter of activities and a helper. She did so much for the club. She was treasurer of ladies bowling and raffle seller extraordinaire. **Judy** was the innovator of the Ducky Regatta, the Vehicles of Distinction, and Drop-in-Bowling. She played a key role in the Indoor Triathlon.

Our deepest condolences to **Judy's** husband, **Keith O'Brien** and our thanks for sharing **Judy** with us. She will be missed.

Our sympathies to **Jack and Lois O'Connell** on the passing of **Lois'** mother **Elizabeth Sirignano**.

New Electronic Display in Lobby

A new digital display board was installed this weekend in the main lobby. On the right side weather information rotates screens to show radar charts, wind speeds and other information useful to mariners. The left side screen rotates through upcoming activities and pictures of past fun CPYC events. Our webmaster is looking for high quality photos to help showcase our club and facility to new members and guests. Please submit copies of any photos to webmaster@cpyc.org

IMPORTANT UPDATE

The CPYC WIFI password will be changing in the month of November.

A single wireless network named "CPYC" will replace the networks "CPYC Waterfront" and "CPYC Clubhouse".
