Parade of Lights

Commemorates Winthrop's 150th & CPYC's 100th

On a cold damp winter's night, **Mike Gahan** attended a Winthrop 150th Anniversary Committee meeting. At that meeting, he presented his idea for holding a Parade of Lights, coordinated by the CPYC to honor both the town's 150th and the club's 100th. His idea was to draw boats from all of the boating facilities in town. The committee loved the idea. **Mike** researched dates when high tide and sunset would coincide. August 31st became the date. Plans evolved over the summer and the idea grew into a wonderful event for boaters and spectators alike.

Co-chairperson **Edmund Pyne** sorted out many of the waterfront details. He sought and obtained the needed permits, planned the parade route, contacted the clubs for point people (Winthrop

Yacht Club-**Bill Scanlon**, Pleasant Park Yacht Club-**Angelo Lamonica** and Elks-**Bill Jaques**,) and elicited assistance from Harbormaster **Charles Famalare**.

The last week of August everything for the parade was ready. The only remaining variable was the weather and the forecast for the Labor Day weekend was shaky at best.

Saturday, August 31 dawned cloudy and cold with NE winds 25 mph. As the day progressed the sun emerged, the temperatures rose slightly, and the winds moderated somewhat late in the day. Boat owners around town decorated their boats. At 7PM approximately 50 boats of all sizes and shapes from PPYC, Atlantis Marina, WYC, the Elks and CPYC began to gather at the start of the parade route near Constitution Beach in East Boston. As the sun set, all the work that went into decorating the vessels became evident. Decorative lights were turned on and a spectacular parade began.

The parade first passed the Pleasant Park Yacht Club and Atlantis Marina. From there is traveled along Donovan's Beach where

according to reports there was standing room only. The parade moved along the Court Rd., Johnson Ave and Bartlett Parkway shoreline passing by the reviewing stand at CPYC. From there the route continued through the mooring area between Pico Beach and Snake island, by the Elks to the WYC, by the public landing and along Grandview Ave. (Continued next page)

shoreline before disbanding. As the parade boats proceeded along the route, spectators blew horns and shouted cheers applauding the decorations. Spectators along the Washington Ave waterfront were able to see the illuminated yachts from before CPYC to the Public Landing. It was reportedly a spectacular view. Back at the CPYC's decorated reviewing stand at the top the snack bar, Commodore **Gahan, Betsy Gahan**, Vice Commodore **Gahan**, his daughter **Kelly** and Granddaughter **Christina, Ellen Reilley**, and **Alice Reilly** surveyed all of the parade participants.

like a square rigged vessel.

The CPYC contingency was lead by event co-chairman and Fleet Captain **Philip Marks** in "Marksmanship," which sported red lights that traveled up the rigging in waves. Other participating CPYC boats included the race committee boat "Paul W. Marks", **Dick Lawton's** "Spirit", the **Crotty's** "7 Seas", the **Nichols'** "Expedito", the **Hardys'** "Jaguar," the **Mac Donalds'** "Lady Francis," the **Pynes'** "Marita," **Robert Pyne's** "Hardway," **Larry Ball's** "Tori," the **William's** "Dunatos," **Chuck Famolare's** "My Girls," **Joe Duplin's** "Star of the Sea," **Larry Bradley's** the "Sandra B," **Paul Duval's** "Calliota," and **Scott McGovern's** wave runner. **Nat and Kay Carleton** decorated their catamaran

(Cont'd from pg 2) but stayed in the mooring area. Pictures barely do justice to this event. The human eye is capable of so much more. Much of the beauty must remain in the individuals mind's eye. Turning the lights on the boat for the first time was much akin to turning on a Christmas tree that has been decorated with much love and effort. There was a magical feeling. The Parade of Lights was a wonderful memorable event and celebration for the town and the yacht club. Everyone who had a hand in its coming to be, should be proud and content with the outcome.

LABOR DAY HAWAIIAN LUAU SETS STAGE FOR PARADE

Decked out in their Hawaiian best, members and guests arrived Sat. afternoon before the Parade of Lights to get in the mood at the Hawaiian Luau Pier Party. Festivities began with social hour featuring a

Polynesian Bar on the head pier. The festivities continued with the Luau catered by B&M Clambake of Boston, outdoor cooking specialists recently featured in the Boston Herald. Preparation for the meal had been going on all day as the pig was roasted at the club.

THE COMMODORE'S CORNER

THE SECOND 100 DAYS

Members often ask me, *How's it going as Commodore?* Upon reflection, I have separated the first 100 days from the second 100 days. The initial period was more the more mundane duties of the job while the second, Memorial Day to Labor Day, has been a blast. My thoughts drift back to the introduction at the Commodore's Ball, throwing madi-gras beads at the Flag Day parade, singing a *cappella* the National Anthem at the Blessing of the Fleet, dancing at the Fourth of July party, commenting on the wonderfulness of the Make-a-Wish regatta and viewing the spectacular Parade of Lights. It was a whirlwind summer, I hope you're enjoying this centennial year as much as I have!

IN MEMORIAM

Eleanor Roosevelt once wrote, "Many people will walk in and out of your life, but true friends will leave a footprint in your heart." A short time ago, **Donald Ford** passed away, leaving his footprints in mine. All who met him, felt his overflowing kind and generous nature. **Donald's** love is manifested in almost every area of the club. On the water, he helped the youth sailors and constantly loaned his boat to the program. Volunteering a day each week in the Pilot House, he donated all his tips to the Joyce Adams Scholarship Fund. Besides serving as Audit Committee Chairman, **Donald** was captain of the Tuesday Night Bowling Team. One of his last projects around the club was the replacement of the flower boxes under the front windows. I hope next time you notice the flowers, you'll think of **Donald Ford**, and say a hello and a prayer; I know I do.

2002 8th Annual Make-A-Wish Regatta A Successful Event

Competitors getting ready to race at the floats

Rear Commodore and Race Committee Chairman Dan Mullane leads adult one design skippers meeting

Cottage Park's Make-A-Wish Regatta held August 3rd and 4th was once again a tremendous success. Beautiful but very warm weather graced the event with moderate breezes. More than 100 youth sailors sailed in 7 divisions. Over 35 boats participated in the 5 one-design classes, and 24 ocean boats entered the Chase Race.

After the Saturday racing, the young competitors enjoyed a pizza party, while there was a reception for their parents. Adult competitors attended a Barcardi Party on the head pier sponsored by Barcardi, Inc.

A roast beef dinner followed, cooked by the entertainment committee, and served by junior volunteers. This was quite an accomplishment in the extreme heat.

The Boston Chapter Make-A-Wish Executive Director, Charlotte Beattie spoke telling dinner goers of the significance of our fundraising efforts to the organization's being able to grant children's wishes. She mentioned one wish that Make-A-Wish was able to grant recently. This wish is exemplary of the diversity of the children's wishes. This child's wish was to be able to sing the National Anthem at Fenway Park. With the help of the Red Sox organization, they were able to grant this wish and the child's total family was able to attend to see the performance and then the game.

Prizes were awarded for the Chase Race and the raffles were drawn. (A list of winners is on page 6)

Sunday one design and youth sailing races continued.

Chairperson **Elaine Marks** feels that when the final figures are completed the regatta will have raised in the neighborhood of \$40,000 for the Make-A-Wish Foundation of Greater Boston. This seems an amazing accomplishment in light of the current economy and a tremendous tribute to the members and friends of

Elaine wants to thank **Kathleen Doherty**, Youth Activities Coordinator, **Sue Hardy** and **Marilyn Van Tassell**, Raffle Chairpersons, (Incidentally the raffle proceeds surpassed last year,) the Youth Sailing Parents, Barcardi, Inc., the Club Officers, the Entertainment Committee, Manager **Donna Quattrocchi**, the race committees, all of the volunteers, helpers, participants, contributors and sponsors with whom the event could not have been as successful. The check for Make a Wish will be presented at the youth

EDITORIAL NOTES

I would like the club membership to know that I take full responsibility for the errors in Norm Hyatt's fishing article in the July WJ., as I made them when I retyped the article into the WJ format. I apologize profusely. Clearly I know nothing about fishing and did not make the striper/stripper error to embarrass him, nor the other errors. I am the one who should be and who is embarrassed.

STAR MASTER'S Held Aug 24 & 25th

**The Atlantic Coast Masters Champions
Gary MacDonald and Serge Leonidov**

The Boston Harbor Star Fleet hosted the Atlantic Coast Masters Regatta at CPYC August 24th and 25th. Sailors from Maryland, Rockport, MA, and Milford, CT joined with eligible local sailors making a fleet of 12 boats. To qualify for this event the skipper must be over 50 years of age. The Masters were sailed in Broad Sound between Deer Island and Nahant.

Day one brought cloudy skies with intermittent drizzle, temperatures in the 60's, and a northeast wind that ranged from 3-10 knots. After two races there was a three way tie for 1st place in the series between local **Gary MacDonald** with **Serge Leonidov**, visitor **David Chittick** and crew, and visitor **Joe Bainton** with **Chris Rodgers** at 4 point each. **MacDonald** and **Chittick** each had a 1st and 3rd, while **Chittick** took 2nd twice.

The second day dawned cool and clear. A northwest breeze at 10 knots shifting to west was forecast. The tides and a huge wind shift during the race greatly effected the outcome of the race. Those boats that chose to take the left side of the course to avoid the incoming tide were lucky. After the wind died a sea breeze filled in on that side of the course allowing the starboard tack boats to sail

to the mark without a tack. The boats that took the right side of the course were not as favored.

The second leg of the course became a beat in the shifting winds as did the third in spite of the race committee's best efforts to make appropriate course changes. The fourth leg was downwind and finished with CPYC Race Committee Chairman and Rear Commodore **Dan Mullane** with son **Jim Mullane** 1st in a borrowed boat. One has to say that all the races that **Dan** sets up, starts and watches paid off. He knew where to go in the prevailing conditions. **Dan** threw a curve ball at the three boats that had been tied for 1st place at the start of the day.

Chittick duelled with **Bainton** for 10th and 11th places respectively. **MacDonald** and **Leonidov** held onto a 4th place finish in this race which was enough for them to win the series by a good margin. **Chittick's** 10th gave him the edge to finish 2nd. **Dan Mullane** nosed out **Bainton** by a tie breaker to capture 3rd.

Rumor has it that one skipper was named "slowpoke" for the event. His excuse was that he thought the race course was inside Deer Island Light. Cheer up **Joe Z**. We all have senior moments and after all this was a Master's.

PILOT HOUSE HAPPENINGS

Because the evening was cool, many Parade of Lights spectators choose to watch the event from the Pilot House to keep warm. The celebration was lively with cheering and dancing which continued after the boats returned for quite a while. It was wonderful to see so much activity and so many people having fun. Pilot House happenings are being planned for the Fall. There will be Monday Night Football activities compete with cheerleaders and surprise bartenders. Other ideas are under consideration, so watch for Pilot House Happenings.

An Unusual Parade Entrant

Ever see a roadrunner that played music and lit up? Somehow **Scott McGovern** managed to accomplish this feat for the Parade of Lights. He and his crew boogied their way along the parade route with a lighted ball above their heads.

Star Boat Fleet News

The Boston Harbor Star Boat Elimination Series sailed May through early July was won by **Gary MacDonald** with **Howard Davis**. **Steve Braverman** and **Ron Rezac** finished 2nd and **Franny Charles** with **Corey Baker** 3rd.

The summer series was sailed in July and August. **John** and **Nancy Fox** took 1st with three bullets. **Sergey Leonidov**, **Ramsey Key**, and **Alex Hill** finished 2nd. **Ken Luczinski** and **Warren Tafton** finished 3rd.

CPYC YOUTH SAILING FINISHES A STRONG SUMMER

by Daniel Vannoni

After a great season in 2001, the CPYC Youth Sailing Program began their summer sailing program with a bang on June 24th. With veteran Head Sailing Instructor and Coach **Daniel Vannoni**, and retired MIT Head Sailing Coach and Volunteer **Hatch Brown** returning this season as well as the addition of new instructors, **Chris Aiello** and **Elizabeth Doherty**, expectations were high for the racing success of past years to continue. Over 10 experienced racers returned to the club with plenty of beginners to crew, and carry Cottage Park through the season. "My goals are always high for both myself and my sailors," said **Vannoni**. "With great staff and great leaders like **Connie Goll** as president of the program this year, I think I will have no trouble surpassing every goal I have made." The first step in the quest for championships came July 11 and 12 at the Hingham Bay Junior Regatta. Every goal the staff had made for the event was surpassed ten fold!

1st, 2nd, and 3rd respectively. While I was impressed with the finishes, I was more impressed with the team spirit thriving in these youngsters. After finishing, each boat cheered whole-heartedly for their team mates to finish the race," commented **Vannoni**. This spirit carried throughout all the lines, and the performance was astounding. **Matt Murray** with **Casey Goll** took 1st in the beginner fleet followed by **Jessica Curly** with **Gabriella Gosselin** in 2nd. **Cullan Riley** with **Danny Carney** continued the winning trend by winning the intermediate fleet. **Ronan** and **Goll** had a very impressive regatta finishing 1st in every race they sailed. **Sam Roberts** and **Matt Cesario** took second. But CPYC was not done. **Jonathan Goll** won the Full Rig Laser title, while **Derek Curley** and **Matt Gaucher** finished 4th and 5th respectively in the Laser Radial Rig fleet. August brought 5 regattas. All within the last three weeks of the program, beginning with the New England Open. Six boats

Cullan Riley with **Kevin Randolph**, and 8th **Julia Vannoni** with **Kaleigh Marcotte**. The other 3 boats, **John Randolph** with **Cameron Gurley**, **Meghan Doherty** with **Angela Pettee** and **Ryan Carney** with **Kayla Famolare** all finished in the top 15. In addition **Julia Vannoni** was awarded the prestigious Merriman Trophy for being the highest finishing skipper at age 11. Most of the other competing skippers were 12 and 13 years old. "all of the Cottage Park sailors did some impressive racing during the regatta," commented **Hatch Brown**.

Julia Vannoni and Kaleigh Marcotte with the Merriman Trophy

Two days later, 4 boats competed in Quincy Bay Race week. **Ronan and Goll** took another 2nd place in the Championship Fleet. **Cullen Riley** and **Kevin Randolph** finished 1st in the intermediate fleet, and **John Randolph** with **Cameron Gurley** placed 2nd in the beginner fleet. The final event for many of these sailors was the last day of the Club Championship. A three day series filled the harbor with 15 N-10's and 7 Lasers. **Ronan and Goll** finished 1st in this event which made them CPYC's representative to the 51st annual Jack Wood Mass Bay Midget Championship at MIT where they finished 5th under extremely windy racing conditions. The final places for the Club Championship will be announced at the Youth Sailing Cup Night in October. (cont. page 9)

Youth sailors and instructors at Hingham Yacht Club

Six N-10's and 3 lasers made the journey to HYC, and were ready to give their all in this 2 day event. As soon as everyone hit the water, CPYC's thrilling finishes began pouring in! "My most memorable moment of the entire regatta was the 1st race of the advanced N-10 fleet where **Eric Ronan** with **Chelsiea Goll**, **Ryan Carney** with **Kevin Cash**, and **Sam Roberts** with **Matt Cesario** sailed an excellent race finishing

journeyed to the south shore to race against a very competitive 37 boat fleet, in very windy conditions and a tight sailing area lined by a major shipping channel. **Eric Ronan** with **Chelsiea Goll** finished 5th overall and **Sam Roberts** with **Matt Cesario** took 10th place. Three days later the whole sailing program turned out for the Make-A-Wish Regatta (See pg 5 for results)

The day after the Make-A-Wish, 8 boats traveled to Hull for the 2 day N-10 National Midget Championship, for ages 13 and under. Day one brought great racing but the second day had to be cancelled because of high winds and seas. Out of a 42 boat fleet, **Ronan and Goll** again finished well with a 2nd. Close behind in 4th was **Matt Murray** with **Casey Goll**, 5th **Sam Roberts** with **Matt Cesario**, 6th

Thistle Fleet #22 News

By Todd Rake #2684

We are happy to announce that Thistle Fleet #22 is re-established at Cottage Park Yacht Club. During this year's Nationals in Oregon, the National Governing Board voted to approve Thistle Fleet #22.

This summer we have been sailing in the Wednesday Night Twilight series and on Saturdays. For those that are not familiar with the Thistle, it is a three person sailboat. We have been averaging three boats on the line.

In the fall, we travel for our East Coast Fall Series. To qualify for the series you need to race in four events and sometimes it can get pretty hectic. If you see a boat packed up, with mast down, we may be traveling to Saratoga, Nyack, Ossining, or Sayville, NY, Westport, CT Hopatcong, or Edgewater, NJ, Annapolis, MD, or New Castle, DE. We have a great time traveling to these out of town regattas and the fleets range from 25 to 45 boats at each event.

When you see **Greg Reuter**, ask him how his first out of town regatta went and how much money he won at the Travers Horse Race at Saratoga.

After the fall series, we pack up the boats for a couple of months and frostbite Lasers or Interclubs until the Midwinter's East Championship in St. Petersburg, FL. If you would like to get more information, please feel free to drop me an e-mail or check out the below links.

ADULT SAILING LESSONS A POPULAR SUMMER ACTIVITY

Adult students get ready for their lesson

When **Peter Costa** and **Joe Zambella** initiated the adult sailing lessons they had no idea the magnitude of the response that they would receive. Twenty five adults signed up to sail on Thursday evenings. New member **Pam Aranov** was also one of

the regular instructors. **Peter** and **Joe** are most appreciative of the additional instruction help from **Jim Frazier**, **Barry Lawton**, and the **Economides**. The program also would not have been possible without the members who loaned their boats for the program to use. Thanks go to **Tom Bailey**, **Philip Marks**, **Barry Lawton**, **Mike Gahan**, and the **Economides**.

Peter and **Joe** want to continue the program next year. They are exploring ways to improve it so that there are smaller groups, more learning can be accomplished and students can have more tiller time.

Youth Sailing Program Continued

After a great season, the sailors are very happy with all their progress and awards, and cannot wait to continue their success next season. "Every sailor from the youth sailing program learned something new this year and had a lot of fun doing it," said **Vannoni**. "I know that I, along with **Hatch Brown**, **Liz Doherty** and **Chris Aiello**, had fun teaching this tremendous group of young sailors.

CPYC Volunteers at Camp Fatima

Meet the New Members

Welcome to new member **Lawrence Buote**, wife **Susan** and son **Daniel**. The **Buote's** live in North Andover and are the owners of the sailboat *Madrigal 2*.

Janet O'Connell is not a stranger to CPYC. Her sister, **Kim**, is married to **Paul Clauss**. **Janet** lives in Winthrop and works in Boston. She comes to CPYC with much enthusiasm.

Paul and Jean Gange are also residents of Winthrop. **Paul** owns an insurance agency in Medford and hopes to be a boat owner soon.

A software engineer, **Paul Newell** and his family, **Joanne** and **Abelard**, hail from Charlestown. **Paul** is a co-owner of the sailboat *Moonshadow*.

Arthur Jones will be traveling from Milford, New Hampshire with his wife **Rene**, and children **Lauren**, **Andrew**, and **Mathew** to sail their 30' boat *Kinsman II*. **Arthur** works in finance.

Life long Winthrop resident **Carol Facella** joins the membership roles of CPYC. Joining her are her husband, **Michael Ervolini** and daughter **Joy**. **Carol** is a professor at Salem State.

Another CPYC family affair is occurring as **Partick Hartigan** joins his father, **Richard** in membership. A police officer and Revere resident, **Patrick** owns the 30 foot sailboat *Anthem*.

Randy Bermer lives in Winthrop. He is in the transportation business with **Skip Lush**.

Hailing from Chelsea is **Anthony Aresco** and his son **Ricky**. In the produce business, **Anthony** owns the 30' powerboat *Keep Dreaming*.

Returning to CPYC membership is **Patrick Doherty**, his wife **Claire**, and children **Morgan** and **William**. **Pat** was a bowler and is coincidentally **Tom Doherty's** brother. The **Patrick Doherty's** live in Winthrop.

Marie Donahue is also a Winthrop resident as well as a Boston police officer. She is described as willing to get involved in community events and club life.

We extend a warm welcome to each of these 11 new members and look forward to meeting each of you. Be sure to introduce yourselves.

Liz Doherty, Matt Crombie and Mark O'Brien with Camp Fatima campers

Several members of the CPYC community have been venturing to NH and been volunteering a week at the Camp Fatima program for Exceptional Citizens for a number of years. The program is for campers from 8 yrs to 80 yrs and offers one-to-one counselors for 150 campers as they participate in activities such as riding, boating, swimming, arts and crafts, etc. **Mike and Betsy Gahan**, **Chris Dawley**, sailing instructor **Liz Doherty**, and Launch drivers **Matt Crombie** and **Mark**

O'Brien joined the 450 volunteer staff this year. This has to be quite an experience for our young people and one that they enjoy and value as both **Matt** and **Mark** have each gone for several years.

Member Spotlight

Edward W. Keough

Currently member #8, **Edward W. Keough** has been a member of CPYC since May of 1955.

Ed is a graduate of Boston University Business School, and Boston College Law School. He was admitted to the bar in 1938 and worked as a government attorney. An active member of the community, **Ed** was town treasurer for 12 years. He was also very involved with Boy Scouts, Little League and Youth Hockey.

At CPYC, **Ed** owned several boats over the years, was supportive of youth sailing and served as its treasurer. He and his wife, **Patricia** had six children, who all sailed Turnabouts.

Ed is the holder of a Purple Heart from the D-Day Invasion and a Bronze Star from the Battle of the Bulge during WWII.

CPYC Questions and Answers

Question. What full membership meetings does the club hold?

Answer. There are two full meetings of the membership each year scheduled under the by-laws. The Nominating Night Meeting is in November. This is an important meeting as the Nominating Committee is elected, who in turn propose the slate of officers and Board of

Directors for the following year. The Annual Meeting is in February and elects the officers and Board for the year. Necessary business can be brought to either meeting. In addition the by-laws provide for Special Meetings if necessary. Complimentary meals are served on these nights.

In Memoriam Donald F. Ford

CPYC mourns the sudden loss of an active and valued member **Donald F. Ford**. A member since 1979, and member #112, **Don** was Chairman of the Audit Committee for many years. He and **Maureen** were Friday night bowlers, supported all the clubs activities and functions. Since his retirement, he spent much time working for Youth Sailing. He expanded the membership of CPYC as there are MANY **Ford** related members of the club. **Don** was also very active in the town as a member of the Advisory Committee, a town meeting member for 40 years, Library Trustee, Treasurer of the Sesquicentennial Committee, and active in his church, among others. **Don** was a devoted husband, father, grandfather, and "Da" to dozens of CPYC and town children. He is sorely missed.

A FISH STORY

Dr. Ciampa's grandson, **Steven** was fishing from the Cottage Park Yacht Club floats one day this summer. He was heard saying, "I saw a striper. On the Holy Bible, I saw a striper." Obviously he did because he caught the above Striped Bass from the floats. After picture taking to record his catch, he released the bass.
